A Modern Approach, A Memorable Address

Merely moments from Newport Lakes Park – in a location that's also desirably close to Madigan Reserve and within easy reach of Mason Street's shopping hub – provides a superb setting for this inviting modern residence. It's an address that offers exceptional lifestyle rewards as well as creating a reliable way to earn pleasing investment returns.

A downstairs living/dining area that's generous in size and distinctive in style includes an open-plan kitchen where stone benches and stainless steel European appliances deliver modern efficiency. Reverse cycle heating/cooling and outlooks to low-maintenance outdoor surroundings enhance the downstairs dimensions.

Above, a main bedroom with a balcony and ensuite is matched by the comfort of two further bedrooms, one enhanced by a balcony of its own, and a main bathroom that's immaculate and impressive while a study zone ideal for working from home completes the upstairs dimensions.
